ReMARKable Rider Day August 3 2020

RIDE INTO BEAUTY • TAKE A PHOTO • SHARE WITH US

WHAT DO YOU SEE WHEN YOU ARE RIDING THE BUS?

On this ReMARKable Rider Day, let's reflect on the positive and beautiful things we see and experience when riding the bus. It may be the driver's smile, another rider's funny hat or dappled sunshine on the leaves of a tree.

As you ride into beauty today, use your phone or favorite camera to capture these moments - the ones that feature the good, the beautiful, and something you appreciate.

Then submit your photo to us for possible use in a photo collage that will be featured on the YCBus.org. The winning photos for each category will also be featured on YCBus.org and in the local newspaper.

Winning contributors will win a gift card. First prize will be \$25 and second prize \$15 for each photo category. See below for details.
